Dear Potential Donor,

Franklinton Lions Youth Football League humbly appeal to your generosity and asks that you consider our organization worthy of your sponsorship and/or a donation. Franklinton lions football and cheerleading is a non-profit organization serving the community throughout Franklin county. The organization's mission is to promote community, citizenship, good sportsmanship and physical and mental development through healthy, organized competition and teamwork for youth ages 5 through 13 year olds. The program is open to all, and does not restrict membership due to race, religion, gender or ability.

Franklinton youth football has taught many participants the basic fundamentals of the sport, fostered good sportsmanship and provided an excellent physical challenge. This accomplishment is under the advisement of The Franklinton Lion's Club and several volunteers & coaches. There are no paid positions within this organization. It is our vision to continue growing the program as the population of our community grows.

Each year we strive to keep the enrollment costs affordable for participants. Your sponsorship and/or donation will help to keep those costs down. It will also help with many other expenses which include purchasing new uniforms, training equipment, coaches' certifications, updating and replacing helmets and pads, ect. By making a contribution, your business will receive local recognition and advertising at a very visible, high traffic field and on our social media site. We currently play our home games primarily at the Franklinton Middle School field and special occasions at Franklinton High school. We hope we can count on you to support our young athletes. Building community support & partnerships helps to build future strong members of the community. Thank you for your support.
